They were the magic years — years when, as starry-eyed freshmen, students of the Class of '85 stumbled onto center stage for their first performance at Walpole High School. They had no bag of tricks to draw from, no sleight of hand to help them through those first few acts, but they were learning. And with the help of the magic wand of time, without fanfare or dazzling lights, there was a subtle change. There was no hocus pocus to show that they were growing up. There were no trick mirrors reminding them of the transformation, but they were moving further from their childhood dreams and closer to their adult visions.

And then, with surprising suddenness it came — the final act! It was time to slip into the wizardry of caps and gowns, like the mythical Merlin, and prepare for the grand finale — the disappearing act — when the magic wand of time would sweep the Class of 1985 from center stage to reappear on other stages where each, out of his or her own bag of tricks, would surprise the world.

## Principal Lester H. Burch

*The Class of 1985 entered Walpole High School as freshmen, the first class to do so since 1965. In the closing days of their four-year experience, Michelle Collins, Editor-in-Chief of the 1985 REBEL, spoke to Principal Lester H. Burch about this class and the 1984 - 1985 school year.*

Mr. Burch felt that, unlike some classes in the past, the Class of 1985 consisted of students who for the most part wanted to do their best, often working far beyond normal limits for their accomplishments. This spirit was evident in all sectors of the school's activities.

Leaders in the class surfaced gradually, their potential almost unnoticed until their senior year when they led by example, providing "quiet" leadership. Mr. Burch referred to athletes Maura Sullivan and Tim Rodgers as students who without being told, always did what was best for their team and their school. Musicians, scholars, actors, and class officers rose to the occasion, working hard at their activity, not only for their own satisfaction, but for the happiness of others—"serving as models for the kind of adults we need in our society."

"This year's Student Council was the best ever," said Mr. Burch. "They spent long hours in planning and participating in many worthwhile projects such as the bloodmobile, school store,and fundraising for the children of Ethiopia. Noreen Connolly, Student Council President, was a very organized and hard working leader, deserving of praise in bringing credibilty and respect to this organization."

Mr. Burch mentioned two successful new programs—the Student Leadership Training Course in the fall and Career Days in the spring. He considered the Arts Festival to be outstanding, an authentic mirror of the results of the music, art, home ecomomics, industrial arts, and foreign language courses for the 1984 - 1985 school year. The popular drama program involved many underclassmen who applied themselves extremely well, even participating in the Senior Class Play. In athletics, it was pleasing to see the number of teams reaching tournaments, looking spectacular against the opposition, with the Field Hockey team displaying exceptional talent in capturing the State Championship.

As summer drew near and those who provided the services for the annual prom praised the excellent behavior of the Walpole prom goers, Mr. Burch felt this added to the respected and positive image of the school, which the Class of 1985 in its leadership role had helped to preserve.

A great influence on the school this year was the presence of a new computer system installed for all departments of town government, changing the manner of storage and retrieval of information; processing of grades and report cards; and the many aspects of scheduling.

As Mr. Francis Foley, long time mathematics teacher and Data Processing Manager at the high school moved to the town hall to oversee the entire computer operations for the Town of Walpole, administrators, secretaries, and teachers found it necessary to become involved in the new routine of using the computer for tasks previously accomplished in other ways.

# Guidance

## Visiting Career Speakers Program A Success

The first major event of the year sponsored by the Guidance Department was College Night, held in October, which Walpole High School hosts every seven years on a rotation basis with neighboring towns. The presence of representatives from 175 colleges and technical schools gave students the opportunity to investigate a large variety of institutions offering programs for those wishing to continue their education beyond High School.

A Career Education Visiting Speakers Program began in December with a "kick-off" assembly for juniors starring Keith Lee of the New England Patriots. Every month thereafter, 14 speakers from business and industry visited with the entire junior class in small groups to explain the world of work and careers available to them after graduation.

Applications for higher education were processed for over 80% of the Class of 1985.

# Metco

## Multi-Cultural Education A Success

Through the cooperation of the coordinator, administration, teachers, host families, and students, the eighteen-year METCO program has been a tremendous success, with 80% of the graduates furthering their education at colleges such as the University of Pennsylvania, which boasts a member of the Class of 1984.

This year 12 black students from Boston travel to Walpole each day to participate in a multi-cultural education. This has also proven to be a valuable experience for local residents with the Social Studies Department's distribution of a series of pamphlets on black history, a visit to a black theater event in Boston, and plans in the offering for a program on Civil Rights featuring a black jurist as highlights.

## Making Each Day Run Smoothly

As the year progressed, administrators, teachers, and students all received the benefits of the secretaries' helpfulness, whether in the line of official duties or as a frequent extra bit of thoughtfulness.

This was a very active year for the Art Division of the Fine Arts Department. At the beginning of the year, senior art students worked diligently to fill their portfolios with some of their best work, and attended Portfolio Day at the University of Massachusetts, Boston, to receive evaluations from representatives of local art schools.

For work entered into the Boston Globe Art Awards Contest, Denise Fuentes and Kerri McLaughlin received gold keys; Lori Barnes and Ellen Rooney received Honorable Mentions; John Hodgkins received a gold key, an Honorable Mention, and was nominated for a portfolio scholarship.

During Youth Art Month in March, along with younger students from the Walpole elementary and middle schools, Jeff Palleiko, Dana Moreshead, and Brian McLean displayed their art at the Prudential Building in Boston under the sponsorship of the Massachusetts Art Educators Association. In May, all forms of art—jewelry, ceramics, and paintings were shown at the Walpole High School Arts Festival.

Improvements and additions to the Business Department during the last few years resulted in enough computers to provide a full classroom for the teaching of Accounting, Word Processing, Pascal, and Data Processing. Computers were also used in the Office Procedures Class as well as in a lab room reserved for extra practice and makeup by students of both business and mathematics.

When Department Chairman Mr. Raymond Valaitis retired in November, he was not replaced, which created a heavy burden on the remaining teachers in the department and the assistant principals, but as the year came to a close, it was felt that all goals had been met.

## Successful Year For Journalism Students

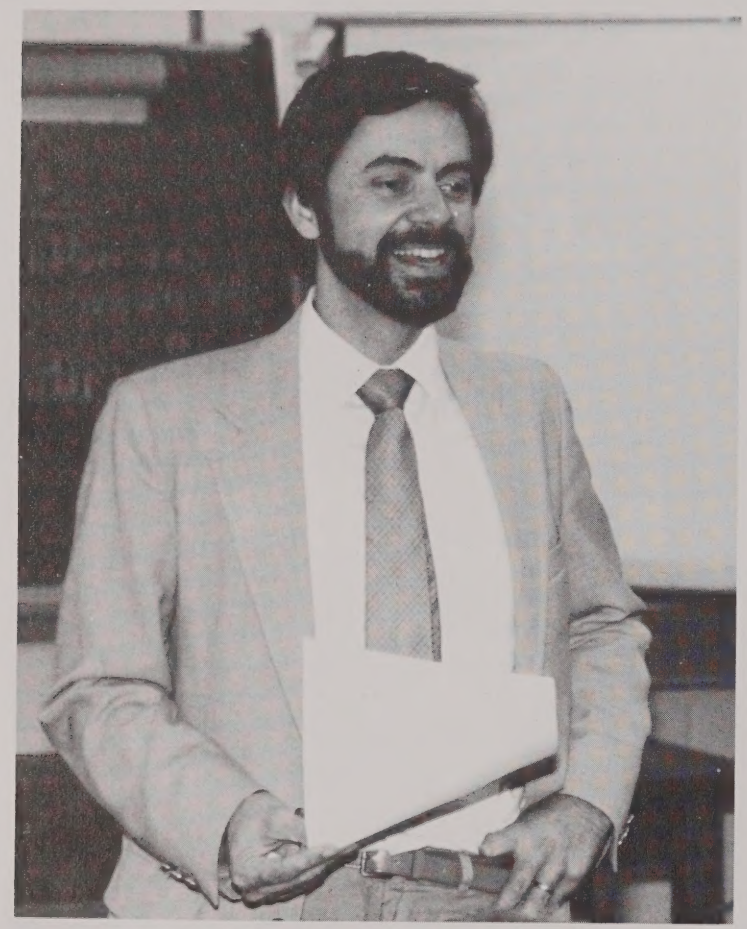
It was back to basics as usual in the English Department as teachers dished out the predictable potpurri of grammar, literature, and composition, spiced with regular doses of vocabulary. Stirred all together, the final repast was the ominous research paper that caused sporadic epidemics of heartburn and nervous indigestion.

Apart from the perennial course requirements, there were some side dishes that made the otherwise heavy courses more palatable. Journalism students, using two seperate staffs, published winter and spring editions of the LABYRINTH, a creative writing magazine. Both were huge successes and early sellouts.

The other gold medal serving was the prestigious REBELLION, the school's newspaper, which took first place for Overall Excellence in the PATRIOT LEDGER'S annual contest for high school newspapers in the greater Boston area. Field trips to the BOSTON GLOBE completed activities for the year.

# Foreign Language

Extracurricular Activities Provide Exciting Learning Experiences



Both the National Spanish and Latin Examinations were given at Walpole High School this year, the Spanish Exam on Saturday, March 30, followed by a special breakfast, and the Latin Exam later in the year. The French, Latin, and Spanish Clubs remained active, providing extracurricular experiences to strengthen classroom activities. The French and Spanish Clubs, who had taken trips to France and Spain, shared their photographs and oral stories with parents and the community on special Parents' Nights.

The Latin Club ended the year with its Roman Banquet and the announcement of award winners: Carrie Merrick a gold medal in the National Latin Exam, Level II; silver medal to Susan Neuber in Latin II; silver medals to Lynne Fasanello, Rachel Lueth, and Kelly McColgan in Latin I. Magna Cum Laude Certificates were won by Suzanne Doiron and Christi Collins—Latin I. Cum Laude certificates were awarded to: Michael Row, Nicole Sliby, Kevin Sullivan, and Maura Sullivan—Latin II; Pamela Baker, Coleen Callahan, Timothy Collins, Katie Garrigan, Diane Hughes, Dennis Meehan, and Kay Ryan—Latin I.

Drafting, Electricity, Metals, Printing, Woodworking Remain Popular

# Industrial Arts

As the year progressed, veteran industrial arts teacher Mr. James Gable, who opted for a leave of absence, was replaced by Mr. Fred Yoder. Courses in graphic arts, wood, electricity, metals, and drafting continued to be popular curriculum choices, with a new computerized system available for the drafting room. The variety of department projects included model houses and printed T-Shirts as well as a variety of electric, wood, and metal projects.

# Mathematics

## Microcomputers Gain in Popularity

The Mathematics Department helped lead the way as microcomputers edged their way into more and more departments at Walpole High School, forging the way for a future certain to involve their use throughout the entire school.

Traditional math courses, affected by new graduation requirements, continued to give the basic foundation to all students.

As the year came to a close, the Math Team, under the direction of Mr. Anthony Greene, posted a record of placing sixth out of the fifteen teams in the Southeastern Massachusetts Mathematics League.

One look in the trophy case is enough to convince any visitor that Walpole is a sports-oriented town. But what is becoming increasingly clear is that, thanks to the hard work of talented students, an inspired staff that takes pride in its work, and a parent group "Friends of Music", another trophy case is beginning to convince that same visitor that there are non-athletes who march to a different drummer and are also successful in winning awards.

Fresh from an intensive week of training at a special camp in South Yarmouth, the band treated its football fans to spectacular halftime shows. On September 30, at Andover High School, the band won a first-place trophy in competition with other high schools in the area. For their performance in the Columbus Day Parade in East Boston, they also received a trophy — "Best Musical Organization Award" — and were invited to participate with many college bands in the Lions Club's Annual Halloween Parade in Woburn. Santa's Walpole Parade, The Village Fair, and several concerts rounded out their busy schedule under the direction of Mr. Gaston Malloy.

Officers of the Band this year were: Erica Murphy, President; Krissy Marschke, Vice President; Jill Lestan, Secretary; Sandra Kiss, Librarian helped by Lynn and Faith Sandahl; Bruce Sacerdote, Treasurer; Joe Jackson, Activities Director. Student directors were Val McCormack, Robin Poore, and Paula McColgan; assistant director Bonnie O'Connell. Donna Alberta instructs the flag team and Laurie Malloy the color guard.

The chorus, directed by Mrs. Catherine Moen and orchestra, directed by Mr.

Michael Falker, also excelled in several concerts, climaxed by the Music Department's annual Pops Night in the spring. Smaller groups brought prestige to the school as the Jazz Band competed in the Annual Jazz Ensemble Festival at the Berklee College of Music on April 6. Quincy Market invited the Madrigals and Brass Ensemble to perform Christmas Music in December; and the Madrigals, in addition to their usual appearances in nursing homes and churches, were part of Boston Radio Station WBZ's Downtown Crossing's live "Incredible Broadcast Machine" which helped raise money for the Children's Hospital.

"Common Street", the 3-year old Show Choir, directed by Mrs. Catherine Moen, using dance routines created by Marcy McLaughlin, continued to bring honors and enjoyment to the school. They presented their repertoire at several outside functions, including the Odd Fellows Lodge in March; and they received high marks at the Bay State Choir Festival at Oliver Ames High School in October.

Individual students auditioning and accepted for SEMSBA were: Chorus — Kristin Amman, Donna Button, Aileen Merrick, Barbara Wilson, Theresa Curran, Christina DiGuisto, Kathi Hardigan, Monique Lariviere, Jen Morse, Janine Susi, John Coffey, Dyan Sandahl, Mark Wilson, Mark Anchukaitis, Scott Alexander, Joe Jackson, Mike Marchionda, William Poitras, and John Stuhlfire; Band — Jen Hoefler, Sandra Kiss, Sharon Baughman, Jen Larson, Barbara Raker. Joe Jackson was also praised for his exceptional high score. Four students who participated in the district and regional contests who were also chosen for the All State Music Festival were: Jennifer Larson, Joe Jackson, Mark Wilson, and Matt Pike.

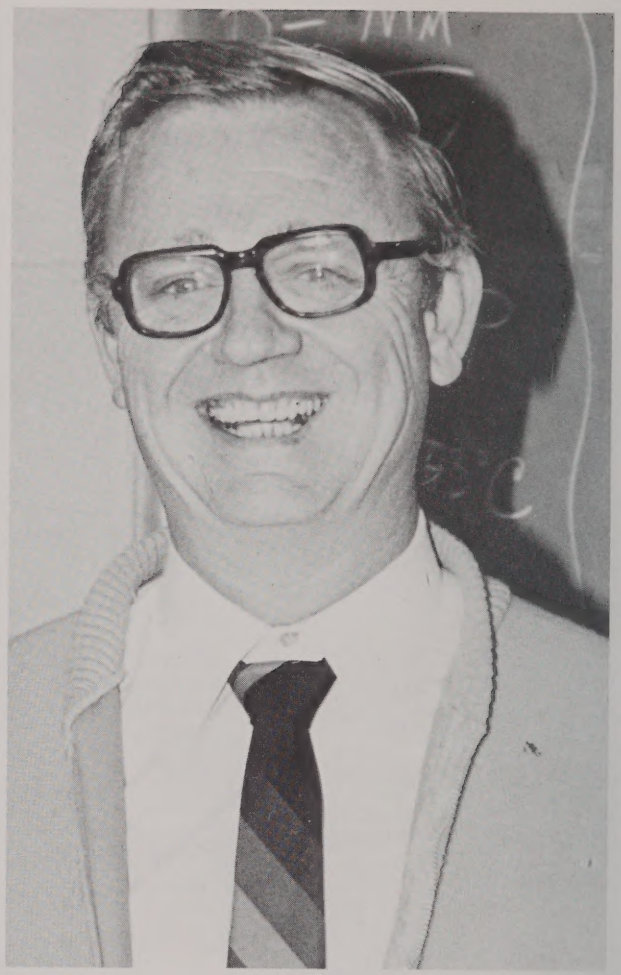
Students were instructed in the many phases of physical education offered such as: archery, tennis, football, dancing, weight lifting, soccer, floor hockey, fencing, softball, and outdoor survival.

In addition to the first aid courses, a new course known as Health Fitness, involving bicycle ergometer testing was added to the curriculum in January.

# Science

## Expanded Use of Computer Instruction



Science students began using computers in most classes and laboratories with the expectation that this form of instruction would be expanded next year. Increased enrollment in Advanced Placement Chemistry proved the value of this course in the curriculum.

As usual, field trips were enjoyed by the Oceanography classes, especially the all-day experience on Cape Cod to study coastal conditions. Mrs. Powers was involved in field testing units for a new chemistry program proposed by the D. C. Heath Co. As spring arrived, selected students participated in the ACS competitive exam at Simmons College in Boston.

The first major activity of the school year was the Leadership Seminar held in October by Dr. Thomas Banit and Mr. Robert Coviello with class officers in addition to members of the student and advisory councils, all leaders of the near future at Walpole High School. Guest speakers were Principal Mr. Lester Burch, Superintendent Dr. Donald Burgess, Assistant Superintendent Mr. J. Chauncey Smith, Johnson Middle School Principal Mr. Richard Sullivan, Fisher Elementary School Principal Harold LeBlanc, and School Committee Chairman Dr. Dorothy Kunde who shared their various experiences with the students.

In the spring Miss Chris Geoghegan again chaperoned students during a Project Close-Up trip to Washington, D. C. where they were given the opportunity to meet their representatives and senators as well as students from high schools in other sections of the country. There were several seminars to attend, but time was also available for sightseeing and social events.

## Fifth Place Finish In BSL Competition

Together as a squad since June, 1984, the Varsity girls attended the New England Cheerleaders Association Camp at Brown University in August, where they received the "Best Personality Projection" award, causing Coach Darlene Glaser to feel, "The unity and closeness they achieved at camp helped in preparation for competition."

Upon returning to Walpole, the squad practiced several hours a day, five days a week, while also cheering at the football games every Saturday. Their major cheer included a variety of heart-stopping mounts, gravity-defying partner stunts and jumps, with an emphasis on precise arm movements. Coach Glaser thinks, "The girls work as hard and are as dedicated as the members of any athletic team."

In spite of this intensive preparation, at the October 12, 1984, Bay State League competition, Walpole placed fifth. However, in making football fans more involved in cheering, they were number one.

## Second Place In The Bay State League

Below: Tri-Captain Jim Burke goes after his next victim; far right: BSL All-Star Tim Rodgers defends his opponent to perfection; right below: Senior Kevin Sullivan drives forward behind his blockers.

Nationally it was turkey day, but locally the Rebels soared like eagles in an aerial game that beat Framingham North 28-16 while capturing second place in the Bay State League with an 8-1 record. The highlight of the game came before the half when everyone's All Scholastic Dave Murphy caught a 72-yard touchdown pass thrown by sophomore quarterback Matt Rodgers. By game's end, Murphy had caught 7 passes for 204 yards with two touchdowns against the Spartans.

Said Coach Lee of his All-Star junior, "You can't say enough about him. He may be the best all-around football player to ever play at Walpole High. He is the most complete football player I have ever coached." Dave led the team on defense as not only one of their best tacklers, but also one of their best blockers, with five interceptions to his credit. He caught 28 passes for 494 yards including seven touchdowns, averaging 18 yards on each reception. When he started at quarterback for three games, he completed 50 percent of his passes for more than 400 yards. It is no wonder he was named All-Scholastic by the *Boston Globe, Boston Herald,* and *Patriot Ledger;* All-Star by the Bay State League and *Daily Transcript.*

Senior Jim Burke was chosen as a BSL All Star (for the second year) and picked by the *Patriot Ledger* as an All Scholastic and the *Daily Transcript* as All Star. During the season he had 21 receptions good for 270 yards, an average of 13 yards per catch. Seniors Tim Rodgers and Al Sharpe were also named to the BSL All Stars. Junior Joe Betro received the Butch Songin Award.

Principal Lester H. Burch commented, "This was a team that displayed character and explosive football which is a trademark of Walpole High School football." Coach Lee remarked, "We were young and overcame our mistakes at the beginning of the year. There's no question in my mind that we're the best football team around." In announcing his captains for next year — Dan Nagle and Joe Betro (offense) with Steve Hunter and Dave Murphy (defense), The General said, "We're going to win it! We're going to go after it!" With so much superior talent returning, who can question this enthusiasm?

15-1-2

During the 60 minutes regulation play and two sudden death overtimes, the Southwick goalie brilliantly thwarted Walpole's every stroke. But when it came down to the 10-player stroke-off, well-placed flicks off the sticks of Maura Sullivan, Diane Hughes (the actual game-winner), Nicole Sliby, and Kim Lestan found their way past the Ram's netminder while Rebel goalie Sue Neuber stuffed every Southwick shot except one.

For the first time in history, the Division I State Championship belonged to Walpole, a team who had come from a second-place finish in the BSL to outshoot the opposition 20-8 in this final game. After playing in tournaments for several years, but only winning the South Sectional for the first time last year, it was exciting to win not only the Eastern Massachusetts Final, but the State Championship as well. It was not only a tremendous victory for the local girls, but also for Coach Susan Brainard who had led the Girls' Basketball team to a State Championship in the spring. For two Porker starters, Hope Sanborn and Maura Sullivan, it was icing on the cake — both had also been on the winning basketball team.

This season Hope, a left inner, was the Bay State League's leading scorer. Maura, a powerful halfback, was chosen by the *Boston Globe* as Player of the Year. According to Coach Brainard, "She distributes the ball everywhere. Basically she plays 90 yards of the field." Both girls were also named to the *Boston Herald* All-Stars and *Boston Globe* All-Scholastics as well as the BSL All-Star team. Bernie Martel, who plays link in midfield, one of the best stick-handlers on the Walpole squad, was also a BSL All-Star. Porkers who received honorable mention and named BSL Playing All-Stars were: Christine Burns, Sheila Connelly, and Susan Neuber. The *Daily Transcript* named all six girls to its All-Star list.

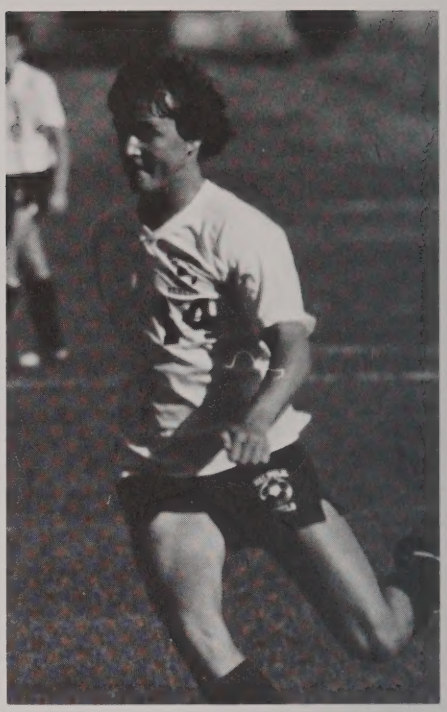
## Boys' Soccer Future Looks Bright

# Boys' Soccer



"Without a doubt, it's the toughest league in the state," said Coach Lee Delaney, when describing the powerful Bay State League that provides the Rebels' competition. "Last year," he continued, "Was the first time in five years that someone other than a Bay State League team won the state championship." In spite of the disadvantage of coming off a year of rebuilding, Walpole held its own and provided fans with some close games, ending the season with a 6-10-2 record, an improvement over last year.

When the Rebels rolled over Milton 6-0 for their first win of the season, Coach Delaney felt, "This was a confidence builder." The Rebels had exploded for 5 second-half goals while Senior Co-Captain Carl Friedholm, always a leader in defense, earned the shutout in goal for Walpole. "Carl plays an exceptional game," said Delaney. "He is the most underrated goalie in the league. Even when losing, the kids hung in there and played a tough game. They earned the respect of the league and more importantly themselves," he added. "They generally played well, but had trouble finishing it off in such an equal league."

Probably their most exciting game was the 1-0 win against Dedham. Junior Jim Shaughnessy scored the game-winning goal midway into the second half on a pass from Bob Rowe. Shaughnessy beat the goalie on a sprint to the ball and both players collided on the score. *Daily Transcript* All Star Carl Friedholm responded with several key saves in goal, and fullback Eric Haltom also broke up many Dedham scoring chances. As usual, Co-Captain and *Daily Transcript* All Star Mark Jacobsen controlled the offense with his fine midfield play.

The season's goal scoring was led by *Daily Transcript* All Star and BSL Sophomore of the Year Michael Row (7 goals, 10 assists), with help from Jim Shaughnessy (4 goals, 5 assists), Sophomore Bob Rowe (4 goals, 4 assists), Junior *Daily Transcript* All Star Scott Jacobsen (6 goals, 1 assist), and Senior Stephen Smith (5 goals, 2 assists).

With 10 lettermen coming back into the fold next year, the Rebels' future looks even brighter.

Paced by conference champion Mike Scanlon and the strong leadership of Captain Neil Thomas, Walpole ran its most successful season since the state championship squad of 1972.

In the Bay State League they were second only to first-place Needham, which handed Walpole their only defeat in league competition. Rockets' senior Anthony Braccio won the race in 13:13 while Walpole's Mike Scanlon was second in 13:35. Both runners had been undefeated in the league prior to the meet. In the BSL Conference Meet at Babson, however, Scanlon avenged his loss by beating Braccio by 16 seconds with a 15:59 in the three-mile run.

The Rebels also clinched second place in the Eastern Massachusetts Division 3 Championships, where Scanlon had a fourth place finish overall with a 15:44. Other Rebels who did well were: Mark Capparella, John Nicholas, Gary Giffen, Tom Peachey, Neil Thomas, and Mike St. George. This respectable showing qualified the runners for the All State Meet where Scanlon placed fifth. At the State Coaches Invitational, the team also made a strong showing, with Scanlon placing fifth in Division 2 in competition with more than 190 runners. "Mike Scanlon is the best runner to come out of Walpole High in the five years I have been here," said his Coach, Jim Erker. "He's a very hard competitor, the hardest worker in practice that we have."

Scanlon, Mark Capparella, and Gary Giffin were named to the BSL All-Star team. Captain Neil Thomas won the "Coaches Award" for showing the most spirit. "Neil has been a great leader for us as well as a consistent runner all season," said Coach Erker.

This was a thrilling year for the four-year-old Girls' Soccer Team, as it went over .500 for the first time with a 10-6 record, qualifying them for the Eastern Massachusetts State Tournament (restricted to the 20 best teams in the eastern part of the state). Even though they eventually lost the first game of the tournament to Weston, it was felt that this was an outstanding achievement for such a young team. Said Coach Bill Tompkins, who was amazed at the steady progress of the team, "I had hoped the girls would make the tournament after five years, so am delighted to have had them make it in four. The credit goes to the girls who have worked extremely hard."

Junior Kristin Friedholm was chosen as a BSL All-Star with sophomore Holly Ash given an Honorable Mention. *Daily Transcript* All-Stars were: Kristin, Holly, Kelly Lynch, and goalie Christina DiGiusto. With the establishment of a JV team two years ago and a freshman team this year, the future looks bright.

All high school golfers are associate members of the Walpole Country Club, which gives them the opportunity to improve their skills during the summer months in preparation for the upcoming season.

This practice was evident when their first opponent in the fall was Wellesley High School, defending state champions and eventual Bay State League winners this year, remaining undefeated for the entire season. Against Walpole, however, the Red Raiders edged the REBELS only 56½ to 51½, as all 8 REBEL starters broke 50 in the nine hole competition, with sophomore Bob Travers having the best finish at 38. Said Coach James Lind, "The kids played very well against last year's state champions."

The top highest end-of-year averages were: sophomore co-captain Scott Trethewey, 41; junior co-captain Jeff Palleiki, 43; sophomore Bob Travers and junior John Kelley, 44; junior Scott Ellis, 46. Scott Trethewey, Jeff Palleiko, and Bob Travers were sent to the state Individual Tournament on May 28, 1985, at the Easton Country Club.

Ending the season with a Bay State League record of 4-4, which was a third place finish, the REBELS looked forward optimistically to next year. With no seniors on the team, Walpole will have one of the most experienced teams in the league for the fall of 1985.

# Volleyball

## Fifth Place in BSL

It can get mighty discouraging groping around in the cellar for two years, not to mention a kind of resigned acceptance to chilly isolation, but fortunately, with the help of new coach Peter Turco, the girls' volleyball team finally found the steps that led them out into the light of a new day. Said Coach Turco, "I expect them to play with as much enthusiasm as I put into coaching. I hope they start believing in themselves because the talent is certainly there." After a dismal two-year record of 36 losses and no wins, the girls proved he was right, finishing the season with a very respectable 9-9 record that placed them fifth in the Bay State League.

There were some other encouraging signs as well that promised a new image for this reborn sport determined to reach the status and stature of its sister teams. Helen Ryan and Sheila Hollowell were chosen League Bay State All-Stars, while Helen Ryan, Sheila Hollowell, Susan Weber, and Kim Clarkson were named *Daily Transcript All-Stars.*

The highlight of the team's new zest for winning had to be the game against the unbeaten Wellesley team in a 2-1 upset. Commenting on that game, Coach Turco observed, "They really surprised me. They took Wellesley out of their spike game. Wellesley couldn't handle the forearm return."

There may be more pleasant surprises to come next season when Turco returns as coach and an 18-0 JV team moves up to varsity and its members plant themselves behind the net, determined never again to be abandoned to that winless, chilly cellar.

In every cloud, if you search hard enough, there is a silver lining, and for the Rebels with their 6 wins-10 losses-2 ties record that lining had to be the tie against arch rival Norwood in their second and final confrontation of the season.

In their first game, Norwood won 4-0, but in their next game, the Rebels showed true grit as they tied the league-leading Mustangs 1-1. Of the game Walpole coach Ed Kiranne said, "I thought we played a very good game. It was anybody's game, one in which you throw out the records." Considering Norwood had a 9-4-1 record, one can understand and appreciate that statement. Norwood was currently tied with Framingham North for first place in the BSL.

In that Norwood game the Walpole Boosters selected Walpole goaltender Kerry Kelley as MVP of the game, and awarded him a trophy for being the outstanding game's player. Kerry also received the Mike Milbury Award for being selected as the game's MVP.

The Bay State League selected captain Steve Benson and junior Gregg Cuoco as All-Stars. Individuals receiving team awards were: Steve Benson — the Todd Baranowski Award which is given to the best defenseman; Jim Shaughnessy, who will captain next year's team, — the Unsung Hero Award; Bill Innocent — the Boosters Award for the player with the most assists; Gregg Cuoco — MVP; and Ted Abely — Coaches Award.

Returning to Division 2 competition as the defending state champions, although they had lost 7 valuable players to graduation, the girls' basketball team exhibited confidence behind the expert leadership of Captain Maura Sullivan, a forward who has a knack for stealing the ball from opponents and is very tough on the boards. When Walpole dismantled previously undefeated Norwood, they qualified for tournament play. By defeating the Mustangs, this young team, with junior Hope Sanborn scoring a career high of 24 points, were on their way.

In the preliminary round action, the Rebels disposed of Apponequet Regional with an easy 76-39 win. Archbishop Williams of Braintree proved a closer match, but the Rebels enjoyed a comfortable win 63-51. Hopes rose and pulses beat faster as the ninth ranked Walpole team faced first-seeded Bishop Stang of Dartmouth in its poorly lit home court. It was a tough, close game, but when the dust had cleared, tourney competition for the Rebels had ended in this 57-53 quarterfinal loss. Said Coach Brainard of the disappointing score, "The game was well within our grasp. It was a good game. I think that Bishop Stang is a very solid team. But the fact that we had to play such a strong team on their home court . . . a lesser team would get destroyed down there." She also noted that usually the Rebels shoot over 60% from the free throw line, but in this game it was only 39% compared to the previous week when they sank 67% and 76%.

Despite the tourney disappointment, the girls enjoyed a good season with a BSL record of 15-3 resulting in a tie for second place with Milton. Standouts were Maura Sullivan and Hope Sanborn, both of whom shared similar honors: BSL and *Daily Transcript* All-Stars. Diane Hughes was selected as a BSL playing All-Star as well as a *Daily Transcript* All-Star.

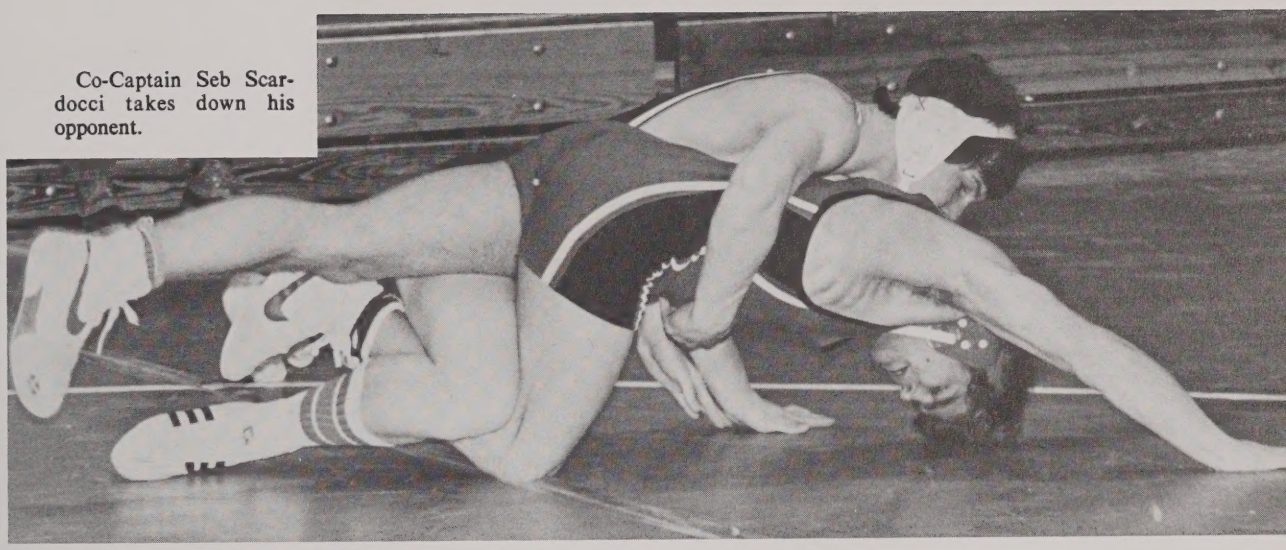
3-14

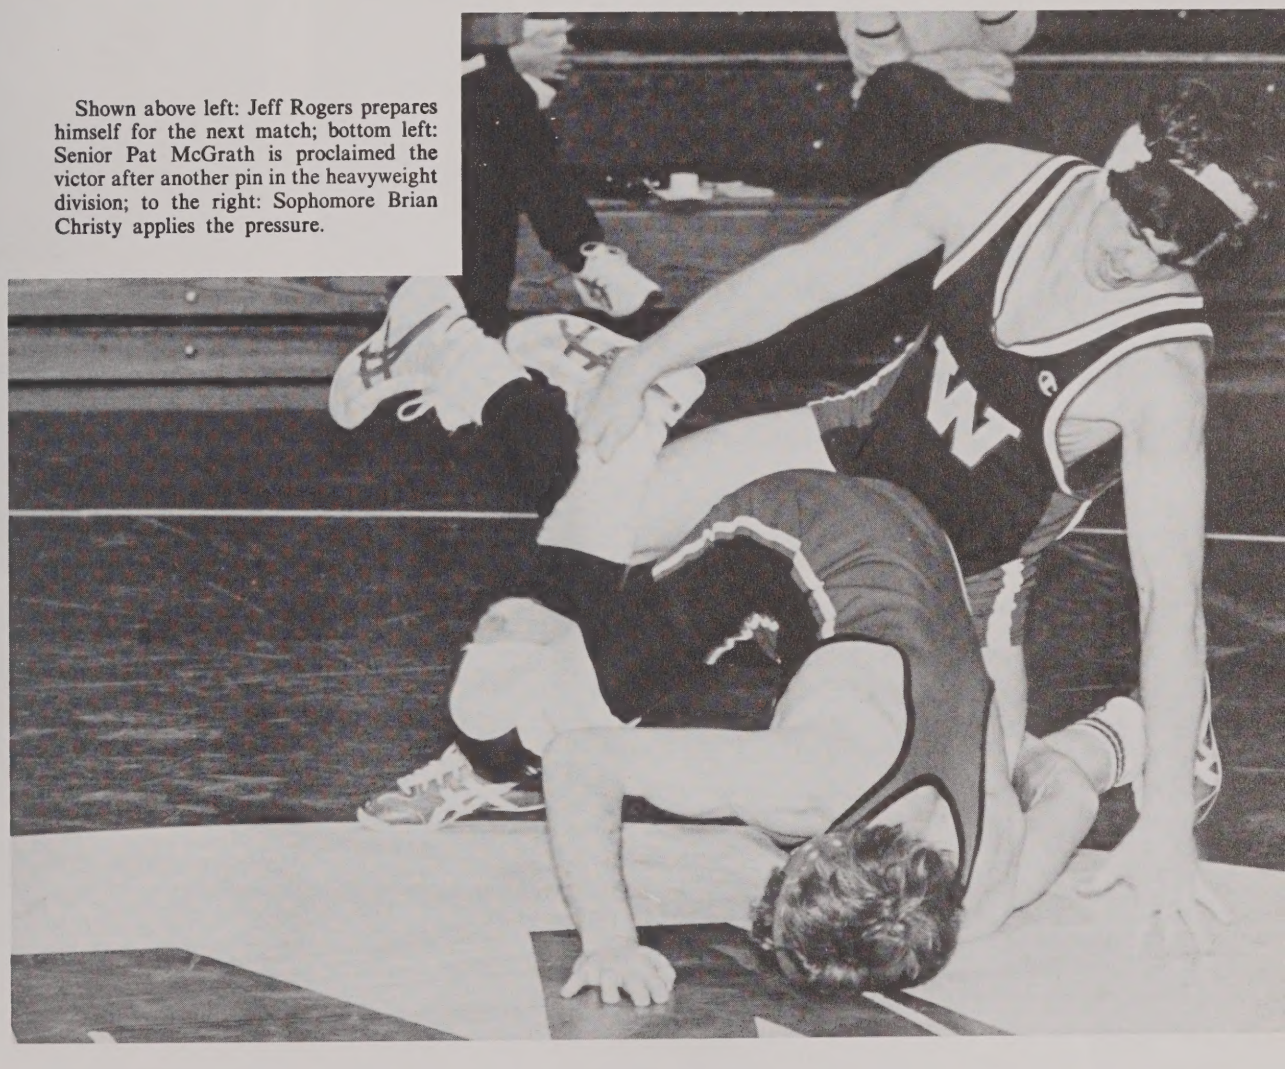
One of the opponents the Rebel wrestling coaches have to pin down is that heavy-weight challenger called Despair. With a 3-14-0 record it's hard to find the light at the end of the tunnel, but there were some shining stars that helped dispell the darkness.

One of those stars in the scant constellation was heavyweight Pat McGrath, who won five of his final six wrestling competitions for the Rebels. In four of those victories he pinned his opponents. Against Framingham North, McGrath held a 4-0 lead at the end of the first period and was ahead 9-0 after two. His opponent staged a third period comeback and fought to 9-5 before McGrath pulled the pin.

Co-Captain Seb Scardocci takes down his opponent.



Shown above left: Jeff Rogers prepares himself for the next match; bottom left: Senior Pat McGrath is proclaimed the victor after another pin in the heavyweight division; to the right: Sophomore Brian Christy applies the pressure.



Senior McGrath was a first-year wrestler for the Rebels and came on very strong in the second half of the season, qualifying him for competition in the Bay State League Conference Meet where he placed third in the heavyweight class. He defeated opponents from Needham, Framingham North, and Braintree to take third.

Also competing in the BSL Conference Meet were junior Jeff Rogers (140), who placed third overall with wins over opponents from Framingham North, Needham, and Dedham; and sophomore Peter Mackay (169), who took fourth place with wins over Milton and Wellesley.

In the season's win-loss column, the Rebels finished 9-9 in the BSL, but only 9 points separated the team from 5 additional wins, as they lost 4 games in overtime by 2 points each and another game by 1 point. Walpole fans appeared as exhausted as the players during the 3 overtime games in Walpole and 1 in Braintree. Said Coach Dick Sizer, "We play exciting high school basketball. We're in every ball game."

The leading Rebel Scorer for the season was senior John MacPhee, one of the tri-captains. The 6'9" center averaged 16 points and 10 rebounds a game, and ended the year with 304 total points. What made MacPhee's performance outstanding is the fact that he had to play with a severely sprained ankle injury sustained early in the season. "He's certainly never been at 100 percent. He has played heavily taped with the ankle swollen", said Coach Dick Sizer.

MacPhee was named to the All-State Academic Boys' Basketball Team which has special requirements — ranking in the top 20 percent of a graduating class and total more than 1100 points on SAT scores as well as making a significant contribution to the basketball team. He was also chosen as one of the top 40 senior basketball players in the state. Both MacPhee and Tri-Captain Tom Walsh were picked as BSL All-Stars, MacPhee as Captain of the team and Walsh as a playing All-Star. Walsh averaged 10 points and 5 rebounds a game during the season. Of him Sizer said, "He's the best defensive player on the team, but excels in all phases of the game. He leads by example. He's a winner." Sizer described Tri-Captain Tim Rodgers as, "very quick and intelligent, a key playmaker for the Rebels." Senior Bob Chase, a starting forward, "Is very strong and aggressive with super quick moves inside," said Sizer.

Junior Kevin O'Connell, starting guard, will be returning to the 1986 squad which will have many experienced players who hope to be BSL Champions.

Although the team ended the season with a BSL record of 3-4-1, the Rebels did very well at several individual meets outside the league.

At Brown University's Invitational Relays, in competition with 32 other high schools, Walpole's distance medley team of Mark Capparella, Mike St. George, Mike Rowe, and Mike Scanlon placed fifth, with the sprint medley relay team of John Devine, Paul Giandomenico, Mark Anchukaitis, and John Nicholas earning a third place award. In the State Coaches Class C Relays at Boston University, a Walpole relay team of Mike Scanlon, Mike St. George, Mike Rowe, and John Nicholas placed third among the 20 schools competing.

Five runners represented Walpole at the State Coaches Invitational Meet at Harvard, with entry standards set higher than for state class meets. Junior Mike Scanlon placed sixth in the mile heat, running 4:27:4 which was a personal best. Sophomores Mark Capparella and Gary Giffen ran the two-mile, with Mark placing third. Sophomores Mike Rowe and John Nicholas competed in the 1000. This race qualified Scanlon and Capparella to run the same distances at the All-State Indoor Track meet at M.I.T. against 39 schools. Although Capparella ran one of his best races, the winning time was 14 seconds faster than his fifth place finish. After a slow start, Scanlon placed third in the mile and was invited to the Eastern States Championships at Princeton University. Against 23 other runners, Mike placed fifth.

MVP Mike Scanlon and Mark Capparella were named as BSL All-Stars. Peter Kampf was awarded the BSL's annual Ralph Colson Award for leadership and sportsmanship. High point scorers for the team were: Mike Scanlon (56¾), Mark Capparella (38), Mike St. George (24¾), Mike Row (24½), Gary Giffen (18), John Nicholas (17), and BSL top sprinter Steve Smith (17).

Any win over arch-rival Norwood is especially sweet and the Rebel Gymnasts savored their victory over the Mustangs to finish out their season with a 6-3 record. They swept past Norwood, 117.65 to 95.60 in the same week that they qualified for a fourth place in the BSL.

In the BSL Conference Meet, juniors Jill Russell and Kim Lestan (who performed all season with a foot injury sustained in field hockey in the fall) recorded some of the league's best scores to become repeaters on the Bay State League All-Star gymnastics team. Lestan placed third on the uneven parallel bars and fourth in vaulting. Russell placed sixth in all-around competition. Both qualified for the State Invitational Tournament where they received some of the best scores on the uneven parallel bars. Lestan placed second in the state and Russell eighth. Lestan and Russell as well as Gretchen Bowers and Co-Captain Kristen Seastrand were named *Daily Transcript* All-Stars.

Walpole, Braintree, Framingham North, and Milton were picked for the South Sectional Tournament, making this the highest representation from any league in the state and Walpole's fifth appearance in six years. Among the 12 teams competing, although ranked tenth, Walpole placed ninth in overall points, scoring its best performances of the season in vaulting.

Although the team concluded its fifth straight winning season with a 10-8 BSL record, it failed to make the tournament by one game as Braintree came from behind to clinch a victory over the Rebels in the last game of the year. For a while Walpole led by 1-0, but the Wamps scored twice in the 7th inning to win the important game 2-0, with one of the league's finest pitchers on the mound, All-Star Chris Lane who had a season record of 5-0.

In retrospect Coach Bill Tompkins said, "It was a frustrating season in that we didn't make the tournament ... but through it all the kids were outstanding. We won together as a team and lost together as a team — no pointed fingers. I'm very proud of them". One of the weaknesses of the team, according to the coach, "We didn't have much power." He was referring to the team's .282 batting average as compared to .328 in 1984.

Dave Murphy was chosen as an All-Star by the Bay State League for his fine playing during the season.

Because of its successful 12-6 season, the Girls' Tennis Team qualified for the tournament for the fifth consecutive year. However, in the opening round of the tourney, they faced a formidable Newton South opponent (11-2) and lost 5-0.

Captain Cathy Verderber, only senior on the team, was selected as a BSL All-Star with a record of 15-3 as first singles player. Stacy Loring in the second singles spot had an individual record of 11-7, and Paula Nannicelli, third, a record of 12-6. In doubles, the teams of Greta Hedberg and Cathy Collins as well as Paula Murphy and Lisa Gentili were winners of 11 matches each. Probably one of the most satisfying wins of the season was a shutout victory over Norwood, when the final score was 5-0.

Singles player Cathy Verderber and doubles partners Paula Murphy and Lisa Gentile advanced to the quarterfinals of the Eastern Massachusetts Singles and Doubles Tournament. Next year's captains will be Cathy Collins and Paula Nannicelli.

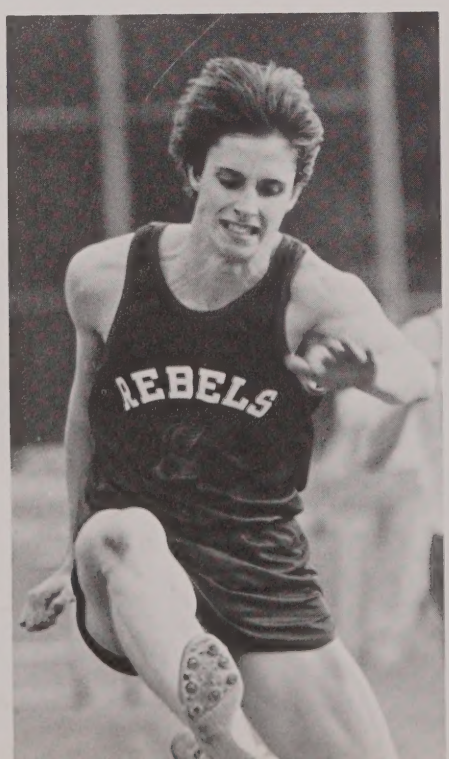
## Mike Scanlon Breaks Two 1968 Rebel Records



The team's BSL record of 3-6 was eclipsed by a season of high drama that was typical of 1985 performances in both team and individual efforts.

MVP Senior Tripp Tyner, leading scorer on the Walpole team, started the season off with a dramatic triple jump. In the last event of the day, with Walpole leading, Tyner changed a 68-67 score to a 74-70 win for the Rebels as darkness was falling in Dedham in the first meet of the year. Although Tyner was also a consistent point-winner in the long jump event for Walpole, said Coach Jim Erker, "That was probably the biggest sports moment in Tripp's life. There were 200 kids watching and a tremendous amount of pressure on the triple jump competitors."

Miler Mike Scanlan was the second leading scorer for Walpole. At BC in the State Coaches' Relays in April, he broke a Walpole record set in 1968 by Gary Peyton, with 4:21.4 over Peyton's 17-year old record of 4:22.0; later in the month he broke another 1968 Rebel record set by Russ Mattson in the 2-mile with a 9:51.6 against Mattson's 9:52. Also at BC, Mark Capparella, Kevin Giffen, Mike Morris, and Gary Giffen placed first in the 4 x mile with Mike Rowe, Paul Giandomenica, John Nicholas, and Mike Scanlon placing first in the distance medley.

As the season progressed, Scanlon won the mile in the State Coaches' Invitational Meet at Brockton High when in 92° heat, with 300 yards to go, he passed Shawn Hurley of Bedford and held him off in a photo finish at the end. Scanlon won the BSL Conference Meet and finished in third place at the Eastern Massachusetts Class C Track Meet where Mark Capparella placed sixth in the 2-mile, the only other Rebel entrant to place.

In the New England Interscholastic Track and Field Championships, Scanlon received a fourth place medal. "Mike ran an excellent tactical race," said Coach Jim Erker, who credits Assistant Coach Gregg DeMeo with Scanlon's superb season finale. "Coach DeMeo did a super job of peaking Mike just at the right time", said Erker, "Mike had four great races in four weeks".

Sophomore Paul Giandomenico was named the most improved member of the team while Tri-Captain Peter Kampf received the Coaches' Award.

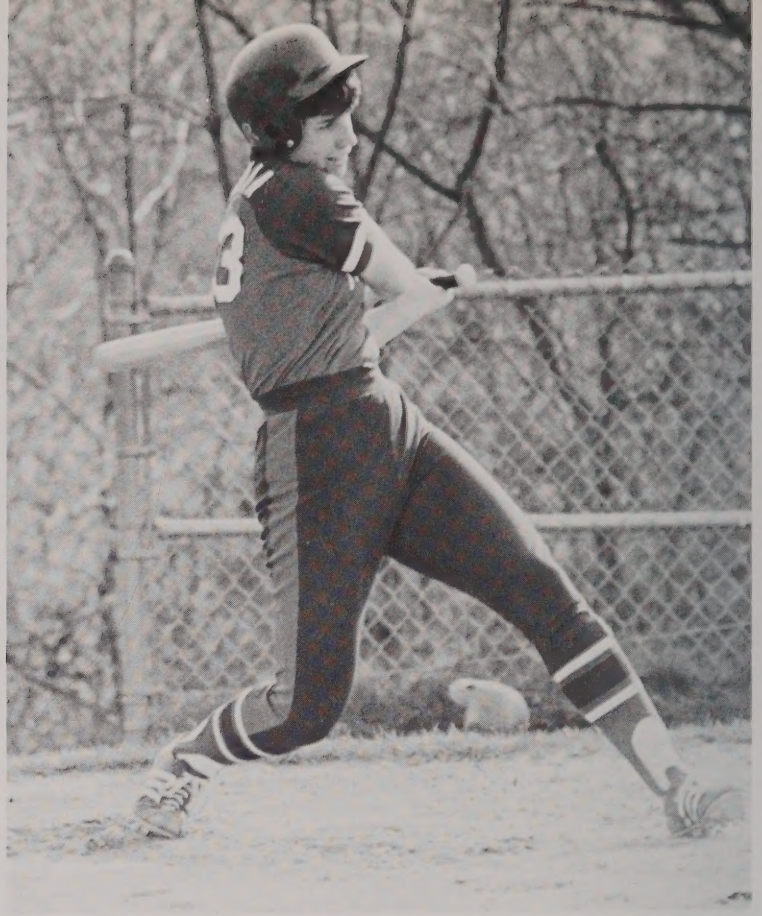
## Rebels Capture Second Place In Bay State League



The Rebels were certainly impressive as they won their last 12 games in a successful race for a tourney berth. They ended the year in the Bay State League's second place slot, boasting a 14-4 season's record.

Unfortunately, the girls lost to Attleboro in the first round of tournament play. Coach Turco cited, "Inconsistent plate umpiring combined with late inning lack of control on the mound by Walpole" as key factors in Walpole's loss.

Chosen as BSL All-Stars were Co-Captains Maura Sullivan and Junior Eileen Dalton. Hope Sanborn was a BSL playing All-Star.

The Walpole Boys' Tennis Team ended the season with an 8-9 BSL record, the same as the 1984 team, but they also won 2 games in non-league action which put them over the .500 mark in total games — the best overall year since 1964 (7-7). Coach Tom Morris was very pleased with the performance of the team and felt that they had consistently played quality tennis all season, giving the spectators many exciting moments to witness.

Walpole sent 8 players to the Eastern Massachusetts Singles and Doubles Tournament in the South Sectionals. Although Scott Jacobsen, Greg Saccone, Mark Jacobsen, John Hampe and Rob Walsh lost in the first round, doubles partners Eric Haltom and Tom Peachey advanced to the second round. Co-Captain Mark Jacobsen was chosen as a BSL All-Star after a year of superbly played tennis.

Kristen Friedholm totalled 154 points in pacing the Girls' Track Team to a 5-4 winning season. Against Norwood the sprinters had one of their best outings, with Friedholm winning four events, taking first place in the 440, 220, long jump, and shot put events. Other first place winners in the meet were: Kim Lestan, the Rebels' third highest scorer who remained undefeated for the third consecutive season, (100), and Val McCormack, Walpole's second highest scorer (hurdles and triple jump), Holly Ash (880), Christi Collins (2-mile), Lynne MacKinnon (javelin), and Nicole Sliby (discus).

Competing in the Class C Eastern Massachusetts Track Meet, Kim Lestan placed third in the 100 meters while Val McCormack placed third in the 300-meter hurdles, besting the school record with a time of 48.62. Friedholm captured sixth in the 220. The sprint medley of Friedholm, Sue Carter, Kim Robinson, and McCormack placed first as did the 4 x 100 relay of Cathy MacDonald, Stephanie Nixon, Holly Ash, and Kim Lestan.

In the State Coaches, Invitational Meet, Friedholm placed sixth in the long jump. Other Rebels competing were McCormack (300 meter hurdles and triple jump), Lisa MacKenzie, Lynne MacKinnon, and Bernie Martel (all in the javelin event).

Annual awards were given to Junior Kristin Friedholm (MVP), Senior Helen Ryan (Coaches' Award), and Freshman Kim Robinson (Most Improved).

Student Council Completes Most Successful Year in History
Advisory Councils and Class Officers Fulfill Their Goals

## Student Council

Under the remarkable leadership of President Noreen Connolly, the Student Council experienced a very active year, leaving no one in doubt about its multi-purposes of serving as a communicator between the students and faculty, organizing school activities, and participating in community projects. Among its many achievements were worthwhile fundraisers such as: the reopening of the school store for scholarship money; Globe Santa collections to help needy children at Christmas; and supervising contributions ($1,400) to Oxfam America earmarked for the starving people of Ethiopia. Other projects managed were: Bloodmobile collection; Great American Smoke Out; visits to Charwell Nursing Home; Halloween Costume Day Contest; and Homecoming Day highlighted by the crowning of the Queen.

## Advisory Councils

THE STUDENT ADVISORY COUNCIL TO THE BOARD OF EDUCATORS consists of student representation from each high school in Massachusetts. The purpose is to discuss educational issues and student concerns. Shown above are: Adviser Mr. Harry Graff, Kristin Collins, and Scott Johnson.

THE STUDENT ADVISORY COUNCIL TO THE SCHOOL COMMITTEE is elected at large to represent the views and opinions of the student body to the school committee and to the community. This year the group recognized two outstanding teachers through student voting—Mr. Thomas Morris in October and Miss Beth Salenik in February. Shown above are: front row, Michael Harney, Kristin Collins, Cathleen Collins; second row, Dawn Welch, Adviser Mrs. Maureen Kunz, Paula Nannicelli.

# Seniors

The Senior Class Officers were busy planning and executing all phases of activities pertaining to the senior year of the Class of 1985. Shown to the left are: front row, Assistant Adviser Miss Margaret Howard, Adviser Mr. Thomas Morris; second row: Vice-President Tripp Tyner, Treasurer Valerie McCormack, Assistant Treasurer Jennifer Larson, President Lauri Johnson, Secretary Patrice Cappelletti.

# Sophomores

The sophomore class sponsored a candy cane sale and participated in the Freshman/Sophomore Dance. Shown to the right are: Adviser Mr. Gregory DeMeo, President Scott Sanborn, Vice President Theresa Curran, Secretary Maureen Tarbell, Treasurer Patricia Burke.

Impressive Ceremony
Greets New Inductees

# National Honor Society

Since the Walpole High School Chapter of the National Honor Society has been without an adviser for several years, it is not formally organized and has no officers. However, Mr. Thomas Joy, Guidance Counselor, has kept the group together in order to have the annual induction ceremony which was held this year on May 23, 1985, at 7:00 p.m.

After the Class of 1985 had officially welcomed the Class of 1986 to its ranks, refreshments were served in the cafeteria where parents and friends congratulated the new inductees.

CLASS OF 1986. front row: David Fisk, Jeffrey Schlossberg, Noel Malloy, Steven Mackay, David Thwing, Kevin Giffen, David Felquate, Eric Sanford, Russell Minkwitz, David Murphy, Christopher Kay, Harland Cook, Joseph Nuzzolo, Ronald Cervasio, Dennis Meehan, Stephen Manzelli, Bruce Sacerdote; back row: Kathy King, Kristy Honeywell, Karen Kiss, Carol Verderber, Dianne Hughes, Lisa Mackenzie, Paula Nannicelli, Linda DeMichele, Sheila Connelly, Amy Letscher, Nancy Agabian, Aileen Merrick, Susan Neuber, Sheila Hollowell.

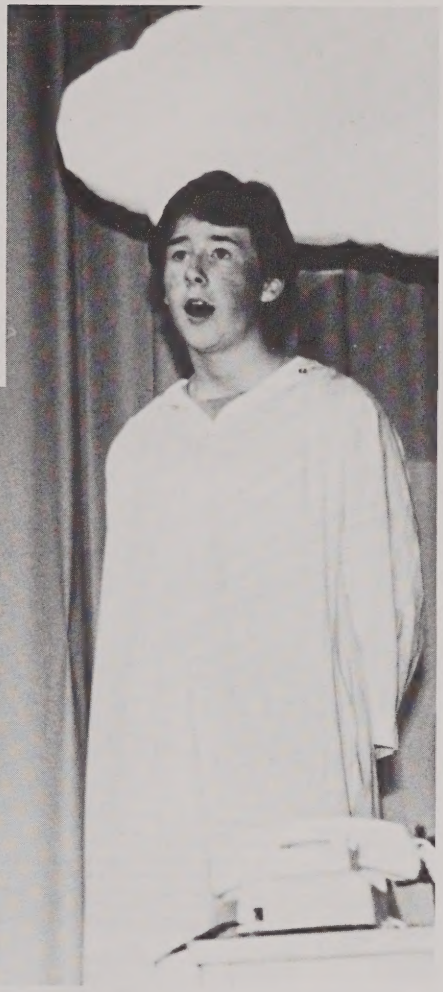
"Let It Rain" Crews

Stage Manager—David Quigley; Guitar—Jeffrey Cox; Make-up—Patti Dixon, Leann Kannally; Publicity and Tickets—Jennifer Butler, Dana Moreshead, Chris O'Hare, Tripp Tyner; Scenery—Mark Anchukaitis, Kerry Casey, Kerri Kief, Jeff Mann, Jennifer Butler, Sharon Griglak, Jennier LaFleur, Dawn Welsh; Sound and Light—Melissa deLellis, David Fisk; Special Effects—Mark Anchukaitis; Ushers—Kerry Casey, Jennifer LaFleur, Stephanie Nikolis, Sharon Griglak, Erin McGee, Dawn Welsh. Donations given by—Arts Lottery Commission of Walpole, Epiphany Church (costumes),Mr.& Mrs George Tyner.



The Walpole Players started off the year with afternoon meetings involving practice skits, improvisation, and monologues to prepare for their main production of the year, "Let It Rain", directed by Adviser Mrs. Diane Hudson.

Matt Pike (November 8) and Roger Campbell (November 9) shared the lead with Tripp Tyner giving his usual fine performance as Dr. Adams. Dana Moreshead, Barbara Wilson, and Dean Calusdian all turned out to be scene stealers, but Chris O'Hare was outsanding as Gabriel. All agreed that this comedy proved to be exceptional entertainment, playing to large audiences. Theresa Curran, Tim Hartmann, Matthijs Schoots, Janine Susi, Shawn DeRosa, Robb Murphy, Paul Gaita, and Jody Mann rounded out the talented cast.

In December, the drama club traveled to the drama festival at Bridgewater State College where they attended sessions in dance, makeup, costuming, set design, lighting, sound, stage techniques, acting skills, improvisation, directing, and mime. During the spring they enjoyed a field trip to the Massachusetts College of Art to view the Boston Youth Theater's production of "Survival".

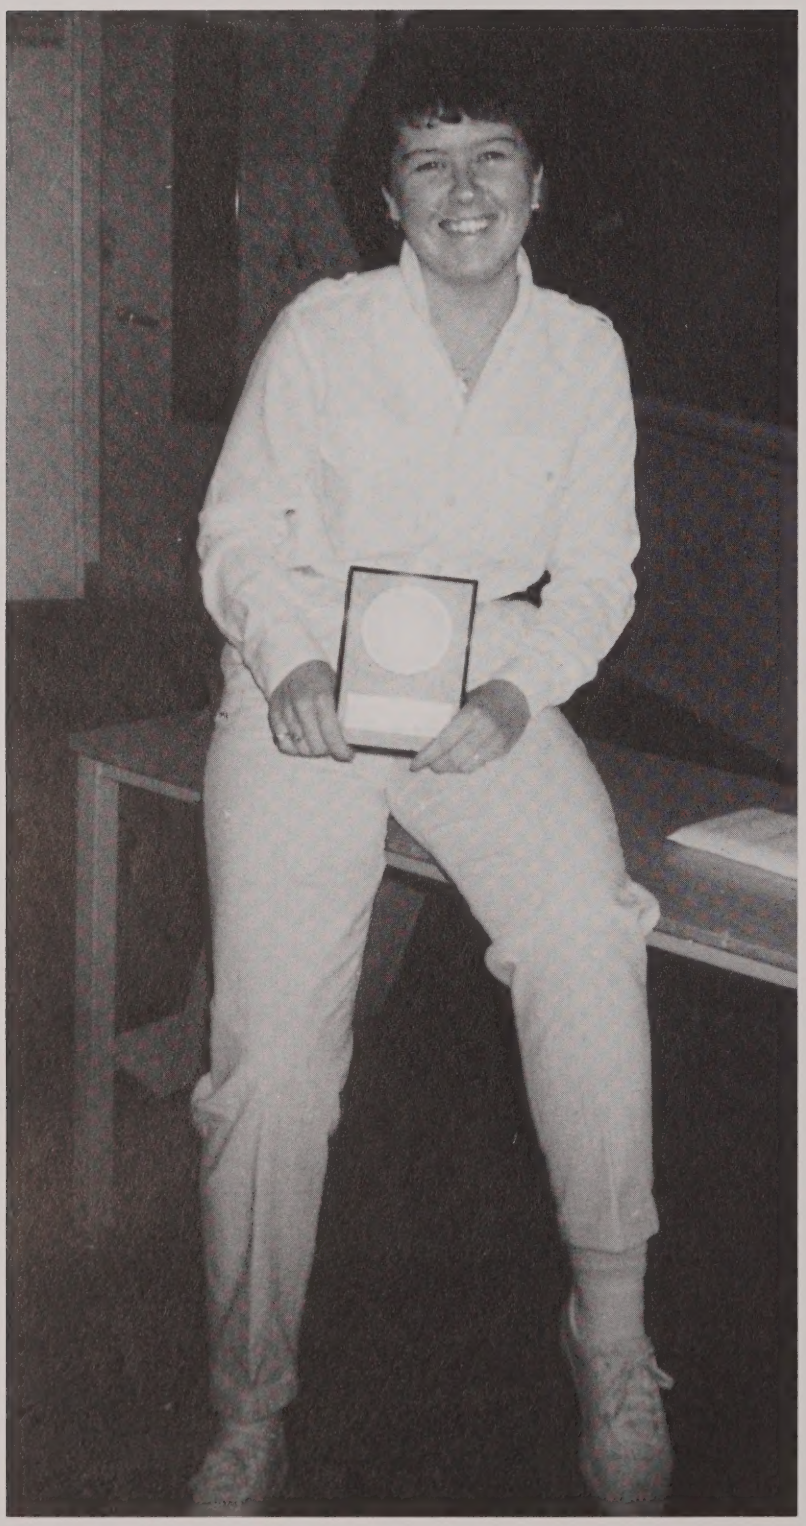
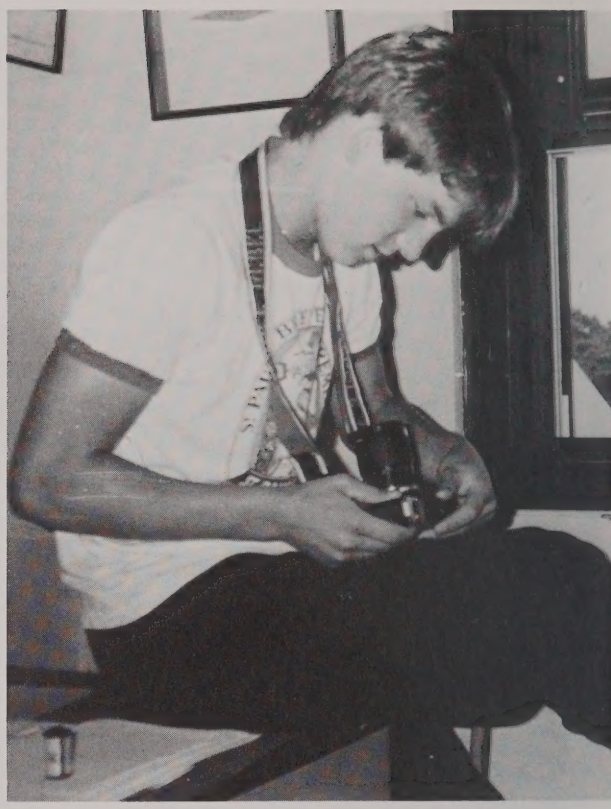
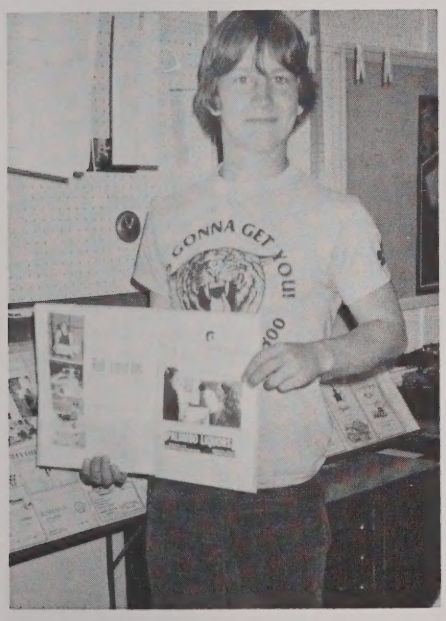
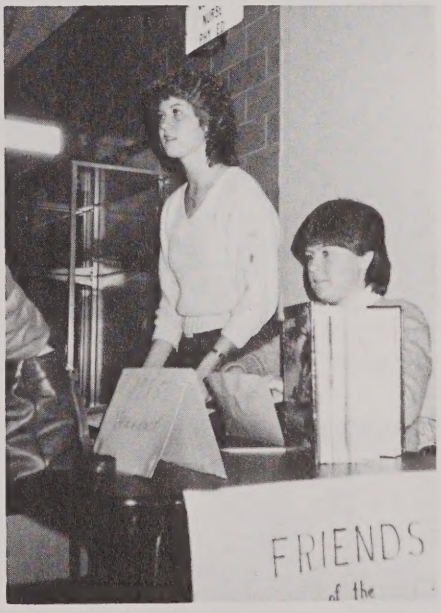
REBEL Receives
High Ratings









Far left: 1985 Editor-in-Chief Michelle Collins displays the plaque she received from the Norwood Elk Lodge as April Teenager of the Month; top left: 1986 Co-Editor Christopher Desprez; top right: 1986 Co-Editor Claire Shiels; middle (left to right): Michelle Collins helps distribute the 1984 REBEL to two happy graduates; Douglas Ahern planning to leave on another trip in search of ads for the 1985 REBEL; Alice Cox, pleased at the outcome of her latest assignment; Carmel Kennedy and Michelle Collins at the Friends of the REBEL table during Parents Night in November; near left: Lydia Anderson and Elena Branco, dynamite advertising solicitors.

Staff members were heartened and motivated to greater heights when they heard that the 1984 REBEL, which some of them had helped create, received the following ratings in competition with other high school yearbooks. The New England Scholastic Press Association awarded the REBEL Highest Achievement; and from the Columbia Scholastic Press Association, the REBEL received a second place distinction. "First Place with Special Merit" was given by the American Scholastic Press Association, as 930 out of a possible 1,000 points were earned, far in excess of the 850 needed for placement in the first place category.

This school year proved to be as busy as last, with staff members intent upon making the 1985 edition another example of superior journalism. For her continuous hard work, in competition with students from 5 area high schools, Editor-in-Chief Michelle Collins was recognized by the Youth Activities Committee of the Norwood Elk Lodge as the April Teenager of the Month.

The annual Christmas party and end-of-the-year banquet both offered a welcome change from the serious business of yearbook production.

The REBELLION began the year with an outstanding September orientation special. Due to many hours of planning during the previous summer, faculty photographs, floor plans of the school, and articles directed to incoming freshmen and returning upperclassmen were featured. This special edition set the tone for one of the most productive years ever in print media.

It was the second consecutive year that the REBELLION won the PATRIOT LEDGER'S award for "General Excellence" in competing with other high school newspapers in the greater Boston area. Editors were Mark Wilson (fall and winter), Kathy King and David Thwing (spring). Despite some obstacles, a monthly page appeared in the PATRIOT LEDGER under the banner REBEL REVIEW. The page featured a variety of personalities and activities at Walpole High and was edited by Kathy King.

It was a good year for the LABYRINTH as well. The creative writing magazine, under the direction of two separate staffs, put together two sellout issues of a magazine awarded "Highest Achievement" in Boston University's competition sponsored by the New England Scholastic Press Association. Mark Anchukaitis and Cathy Shea edited the winter edition; Dana Moreshead, the spring offering.

Due to their hard work and high academic rank, Shari Russell and Mark Wilson were admitted as members to the prestigious Quill and Scroll Society, a national organization for young journalists.

It has been said that to visit Spain is to see all of Europe in a single country. Its amazing architecture brings the tourist through many centuries of history, showing the multi-influences of such civilizations as the Moors and Romans.

After months of planning and fundraising, on Sunday, April 14, 1985, students from Walpole arrived in Madrid where they first toured the city, saw a bullfight, and shopped in Puerta de Sol. On subsequent days they visited the Cathedral, El Greco's house, and other sights in Toledo; the monument in El Escorial; the Royal Palace; the Valley of the Fallen Monument; the Plaza Mayor; the walled city of Avila; Sergovia, which boasts the Roman Aqueduct; La Granja, former summer residence of Spanish royalty; Cuenco with its hanging houses, and the Ciudad Encantada, viewing the strange rock formations.

Evenings were spent at a disco, a flamenco show, a nightclub and expensive restaurants. In addition to these pleasurable activities, the opportunity to experience Spanish customs, food, dress, and use of the language first hand was very educational. One entertainment highlight was viewing the movie "Beverly Hills Cop" with Spanish dialogue.

The group arrived home on Sunday, April 21, minus Kathy King (who had unfortunately had her passport stolen in Madrid the day before departure) and Mr. & Mrs. George Watson (who with their 5 month old son Marcus had helped chaperone the group and stayed for 4 extra days in Spain with Kathy). In addition to the Watsons, Mr. & Mrs. James Capone were also chaperone/advisers.

French Exchange Program
In Its Fifth Year

# French Club

During the summer of 1984, French Club members spent a month visiting the homes of French "brothers" or "sisters" in St. Cloud, France, a suburb of Paris. In July, 1985, the Walpole students hosted their French friends on an exchange visit to the United States. Included in the program is also 2 years of correspondence between students from each country who are matched by Walpole teachers Ms. Cole and Ms. Miller and Madame Richard in St. Cloud.

Thus, students become immersed in a foreign culture and improve their use of the native language. All agree it is a valuable educational and personal experience.

Members of the French Club are: Jane Giuggio, Janice Mahoney, Dawn Alexander, Terri Sheehy, Monique Lariviere, Katie Garrigan, Linda Nelson, Elisa Macone, Jennifer Larson, Tripp Tyner, Lauri Johnson, Lori Barnes, Amy Bickford, Kelly Garrigan, Carolyn Bassett, Erica Murphy, Patrice Cappelletti, Kim Mike, Karen Linehan, Barbara Raker, Alice Paquette, Scott Johnson, Krissy Marschke, Lori Traeger, Sandra Kiss, Martin Martel, Scott Tracy.

The Latin Club (Junior Classical League) with Mrs. Penny Calf as adviser, continues to fulfill its purpose of providing monthly "fun" activities that relate to the language of Latin and Roman culture. Officers for the year were: Consuls — Helen Ryan and Maura Sullivan; Aldile — Christine Burns; Quaestor — Nicole Sliby; Scribo — Barbara Raker. In October, new members were initiated; in November, the Latin Club sponsored an interclass volleyball game; in December, the Saturnalia party was held; in March, the club attended Classics Day at a local college; and in May, the climax of the year — the Roman Banquet — was scheduled.

At this final fling of the year, the sports and entertainment of the ancient Romans are recreated, sometimes with a few modern touches. The highlight of the contests, the Chariot Race, was won by Tim Collins, Paul MacPhee, and Dennis Meehan, but Coleen Callahan, Lynne Fasanello, and Rachel Leuth were awarded the most realistic and attractive chariot prize. After dinner, Kelly McCologan was chosen as the "best costume", with Rachel Leuth receiving second place. In the game "Wheel of Fortune", Pam Baker, Lynne Fasanello, Alice Paquette, Barbara Raker, and Helen Ryan were winners. Lynn Rosenthal hosted the Roman Gong Show with talent of flute players, jugglers, dancing girls, and gladiators. Students of athletic events who accumulated the most points were: Cari Gable, Maura Sullivan, and Diane Hughes.

David Fiske (above left) heads the engineering, making sure all equipment is kept in order. About 20 students rotate on-the-air duties.

# Sadd

## Avoid Drinking And Driving

The goal of SADD (Students Against Drunk Driving) is to raise the awareness of students and faculty to the dangers involved by driving after drinking.

Most high schools today are touched by tragic reminders as was Walpole this year when Michael Farinacci (Class of 1984) and Bruce Simpson (Class of 1985) were lost to us in automobile accidents. It is hoped that the future will be brighter as people become more careful in their driving habits.

Set at a fictional high school in New York City, "Up the Down Staircase" provided many laughs for audiences on March 14 and 15, 1985, in the Walpole High School Auditorium. Both hilarious and heartbreaking problems plague the overcrowded establishment, sometimes sounding vaguely similar to many of those closer to home.

Although play rehearsals conflicted with many busy seniors' schedules, a few underclassmen stepped in to help fill the gap, enabling this enjoyable and entertaining vehicle, under the direction of Mrs. Diane Hudson, to be a success.

# A Magical Event
# Graduation

Mother Nature waved her magical wand over Turco Field at 1:00 p.m. on Sunday, June 2, 1985, to give the 266 Walpole High School graduates a perfect day under clear, blue skies. Only a few curious clouds cast brief shadows over the festivities below which brought an end to four hectic years full of mostly happy times, with a few sad occasions.

Mother Nature wasn't the only one involved in pulling some tricks out of the hat, however. Unceremoniously, after the preliminary part of the commencement exercises, a small colored beach ball emerged from the sea of blue and white robes, quickly punched from row to row by the not-so-solomn faced graduates. It ran its course, but another, larger beach ball appeared, followed by the largest of all, which finally reached the green grass in front of the spectators where it rested for the remainder of the program.

After the scholarships and diplomas were awarded, the Class of '85, at the final raising of the staffs by the archbearers, with its flair for showmanship — disappeared — leaving as the only traces of its brief visit: crumpled programs, abandoned mortar boards, soap bubbles, blue and white balloons — and three deflated beach balls.

# Lena Andreassi

February 13, 1966-March 11, 1985

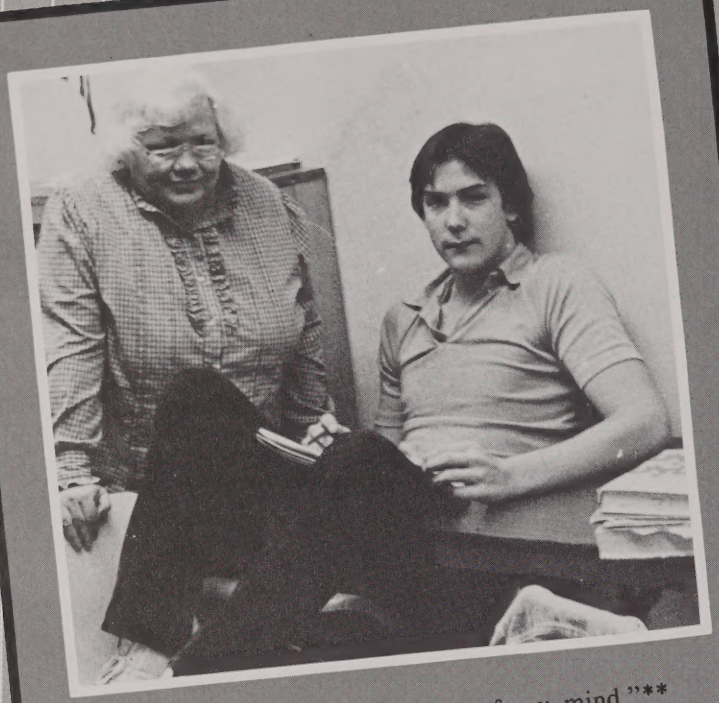
"Some people come into our lives and quickly go.
Some stay for awhile and leave footprints on our hearts,
and we are never ever the same."**

If a personality is the sum total of the relationships with other people and the greatness of a person is measured by the influence that person has been on others, then Lena was by this measure a great person.

Lena always related well to adults and fellow students, showing her ability to be at ease with them even as a freshman. When as a junior she knew she was ill with cancer, she was always cheerful, even when in pain; she was brave, even when she was afraid. During her senior year when her medical condition required her to be frequently away from school, she returned to share with classmates openly in classroom discussions her feelings and outlook about her illness. The result on her classmates was to make them honest and brave in facing their own troubles and issues.

As the ravages of her illness took their toll during the last weeks of her life, she gave only words of encouragement to family and friends. In her short time with us at Walpole High, Lena influenced many with her courage, her cheerfulness, and her nobility. Because of her, we who knew her have more of these qualities. Because of the legacy we share, her spirit lives.*

*Written by Mr. Michael Kelly, Lena's Guidance Counselor.
**Written by Lena in a letter to Father Michael Steele, Parish Priest of Blessed Sacrament Church, Walpole, 1971-1975.



"Memories light the corner of my mind."**

# Bruce E. Simpson

March 29, 1967-May 13, 1985

An eight-year-old-boy with warm, soft, dark brown eyes came in to my room singing, "Memories light the corner of my mind." That was the beginning of a very special student-teacher relationship that was to span a decade.

To be hearing impaired is one of life's most difficult burdens to bear. Bruce tried his best to accept this burden, but he could not because he felt his classmates did not. One assignment that he had was to write an essay on what life would be like in another planet. He wrote, "I would do anything and live anywhere, even in another atmosphere, if I could have my hearing back again."

Bruce was an industrious worker, one of the most successful work-study students in the history of Walpole High School, but of all Bruce's special qualities, his most outstanding was his ever-present sense of humor.

The fondest memory I have of Bruce is when he would leave school each day saying, "Goodnight, Miss D. Drive carefully because I don't want a substitute in the morning." I would answer, "Goodnight, Bruce, have a good time, but be careful. I want to see that smiling face in the morning." But, there was a day when I was denied this experience: as a passenger, Bruce had been a fatality in an automobile accident. "Good-bye Bruce, with love from Miss D."*

*Written by his favorite teacher, Miss Elizabeth Delaney, who is shown above with Bruce.
**Sung by Bruce to Miss Elizabeth Delaney, Stepember, 1975.

## Journey's End

The paths of life
Have many twists and turns
That seldom carry signs
To warn the wary traveler.

How comforting to know, then,
That He who guides the eagle
Through his pathless flight,
Will lead us across the bridge
Where ends our path in life
To find a heaven above
Where paths will be no more.

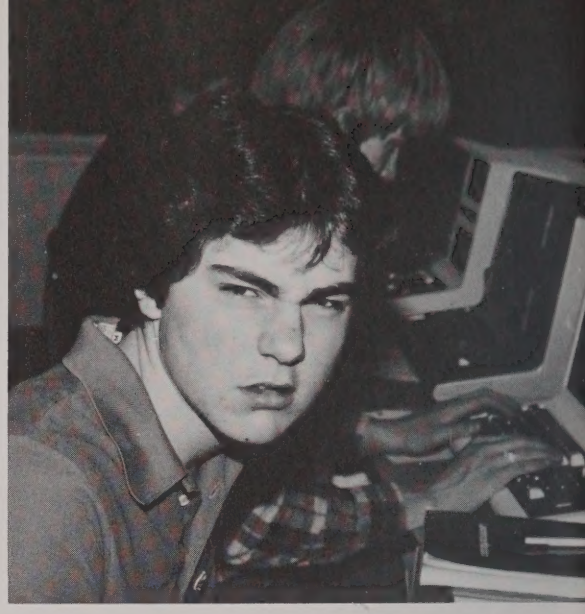
KAMPFOPHYSIQUE!

This composite of moods takes you behind the scenes of some of the lighter times at WHS. Life is more than curricular and extra-curricular moments. You might call them "intra-curricular" because they show you something of the spirit of the people who make up our Walpole community in their unguarded moments. These insights help us to understand people who dutifully trudge the halls in response to the intimidating and ear-piercing sonar zaps that move us from class to class. They are more than names and numbers; they are more than signatures on white sheets and blue sheets; they are more than problems on pink slips with designated hours in detention — they are people just like us!!!!!!!!!!



Page 216: top right: The predictable image of those who take one year or more of computer training, commonly referred to as "user imcompatibility;" center left: Frank Calf gloats over the week-old bargain pastries he's pilfering from the goodies shop; center right: Coach Turco looks more like an umpire than a coach as he throws a "Kiss" out to the bench; bottom left: If laughter is the best medicine, this class must be the most healthy place in the school; bottom right: Now that he's got the golf ball out of his shoe, his game ought to be up to par.

Page 217: top left: Steve's not sure he should eat the pie now that he's cut it. He looks for teacher approval before indulging; top center: Every public performance is a chance to show off one's skill at using bubble gum; top right: This player demonstrates several options while waiting for a return serve: (1) hit the ball with the edge of her racquet, (2) swat it with her open palm, (3) stay in fixed position with eyes closed and pray the ball goes out of bounds. center left: Harland was commissioned by Sears to stress test their new long johns. Harland went 24 hours before a strained seam split; bottom left: Doctors agree that a very delicate hip operation will allow these Siamese twins to lead normal lives; bottom right: Because she is a very conscientious student who refuses to cheat on tests, she took the entire exam with her eyes closed.
